

Are you struggling to get your education message across clearly and with impact...
... all while embracing the power of play, strengthening your mission, and thriving in our dynamic industry?

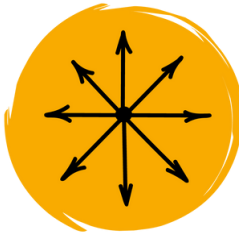

Inspired Impact has you covered. Let's embark on a learning adventure to level up both the people and the things (exhibits) that educate!

WONDER Workshops - *for museums serving families*
Transform museum staff into masterful facilitators through two dynamic 90-minute workshops. Gain practical engagement skills and developmental understanding turning everyday interactions into memorable moments of discovery.

Timeline: Monthly offerings

COMPASS Coaching - *for all professionals*

Growing professionally by aligning your strengths to the industry needs all while keeping education and interactivity as the true north in every conversation.

Timeline: 90 days (renewable)

IMPACT Consulting - *for museums ready for change*

Museum consulting by an experienced guide to help identify blind spots and empower you with knowledge to navigate the next right steps!

Timeline: custom to your needs

INSPIRATION PATH - *for museums with interactive exhibits*

Evaluating your existing (or proposed) staff interaction, programs, and exhibits to provide a 10 point visitor experience report with recommendations that you can act on fast.

Timeline: 30 days

Beth Housewert, a trailblazer in non-traditional education, seamlessly blends formal learning with play. With 25+ years in education and nonprofit leadership, she excels in dynamic learning experiences and empowering staff. Expertise includes program development/management, grant funding, and mentoring for museum teams.
